

LIFELOC TRAINING PROGRAMS

Employee Drug-Free Workplace

Offered as both a self-paced online SCORM-compliant course and a live instructor-led course, Lifeloc University's Employee Drug-Free Workplace course educates employees on the importance of a drug and alcohol-free workplace.

Lifeloc
UNIVERSITY

Trusted Training. Proven Expertise. A Safer Workplace.

Employee Drug-Free Workplace

Certification Benefits:

This course meets and exceeds DOT 49 CFR Part 40 requirements for employer education. Employees will learn the responsibilities of the employer and employees in a drug-free workplace, as well as the consequences of positive test results and refusing to comply with the company's drug & alcohol testing program. Education includes information on Employee Assistance Programs, addiction resources, and the signs of coworker drug & alcohol misuse.

This certification does not meet Employee Drug-Free Workplace training requirements for the state of Ohio or Tennessee.

What's Included:

- Ongoing Live Support
- Custom Scheduling (Live Sessions Only)
- 24/7 Access (Online Course Only)
- Certificate of Completion

Meets DOT Mandates for these DOT Transport Modes:

Federal Aviation Administration (FAA)
Federal Motor Carrier Safety Administration (FMCSA)
Federal Transportation Administration (FTA)
Federal Railroad Administration (FRA)
Pipeline & Hazardous Materials Administration (PHMSA)
United States Coast Guard (USCG)

Also Perfect for Non-Mandated Companies!
